

BEYOND BLESSED NEWS

August 2023

A message from Shannon Howley, Executive Director

Wow, not sure how we are entering August already!! Here at Beyond Blessed we work hard and we recently got a chance to play hard too! We did a volunteer appreciation meal at the pantry. Thanks to some anonymous and generous donors we were blessed with a petting zoo, a beehive exhibit, a bouncy house and pinatas! It was a great time for food, fellowship and fun amongst the volunteers. I am so thankful for all who show up week after week to work hard serving our communities. I am in awe of the hard work done by all to make sure our neighbors have food on their tables no matter the weather! I can't say it enough THANK YOU!

I always say the pantry needs three things to keep goin, volunteers, donations, and food. We have our 2nd annual Benefit on September 8th at the Kalahari. This is our largest fundraiser of the year. Are you an individual or business that can get tickets or sponsor a table? We are looking to fill all the tables this year as we have many things in the works and want to give updates on where we are today... Lets just say serving more than ever. Please see bbpantry.org for more information or to purchase tickets. Oh did I mention it's an 80's themed party??? Going to be a great time I hope to see you there. I will be the one with big hair and fun clothes!

Volunteers are the heart and soul of the pantry. An appreciation lunch was held in July to thank them for all they do to further the mission of feeding people.
