

BEYOND BLESSED NEWS

November 2022

A message from Shannon Howley, Executive Director

You are never too young...

One of the mottos I try to live by is, see a need, fill a need when within my power. The longer I live the more I realize you are never too young to help. Recently we shared that we were out of one of our staple items, peanut butter. So a couple of pretty special kids along with their mom and GMA made a choice to help fill a need. They did a peanut butter challenge with a goal to raise 400 jars, 1 for each

household we serve each week. Well, they blew that number out of the water and raised 734 jars! No matter what age you are, YOU have the ability to help. I truly believe we are never too young (or old for that matter) to help. My challenge for all of us is to look around and ask ourselves, what need can I help fill? If for no other reason than because we can. Be Blessed!

VOLUNTEER SPOTLIGHT!

Monday Morning Crew

So many volunteers are needed to do what we do at Beyond Blessed Pantry. This month, our volunteer spotlight is this amazing team. For those who are not aware, this is what Monday morning looks like... It starts with turning a pallet of cardboard into 400 boxes. These boxes are filled by hand with a great assortment of food, taped and stacked for distribution on Wednesday night. There is also a lot of work done leading up to this point. Food is picked up from a variety of places, weighed, sorted and boxed. We also have to send a shout-out to the team that sets up the tables and moves food for us to box. They often do this after a very busy and tiring Wednesday night distribution! Like all of our volunteers, this group works together to accomplish a really big task each week, and we are so grateful!

Thank you Monday Morning Crew! Your dedication is irreplaceable!
